Mine Record Entry

Mine Record Entry Detail

Today 27 April 2021, an online meeting was conducted between Inspectors and the Senior Leadership Team of the Moranbah North Mine.

Attending the meeting were:

Shaun Dobson, Deputy Chief Inspector.

Geoff Nugent, Inspector of Mines.

Paul Brown, Inspector of Mines.

Harilal Surendran, Inspector of Mines.

s.73 Irrelevant in, Operators Representative.

s.73 Irrelevant info, SSE.

s.73 Irrelevant infor, UMM.

s.73 Irrelevant i, Technical Services Manager.

s.73 Irrelevant infor, Ventilation Superintendent.

The meeting was requested to discuss the mines updated status and progress of responses for the Directive pursuant to section 167 of the Coal Mine Safety and Health Act 1999, given on the 21/02/2021. The Directive was given for a suspension of re-entry into the mine until such time as the SSE can demonstrate an acceptable level of risk.

The meeting was opened by Mr s.73 Irre with an update of pumping water at 112 gateroad. General discussion of LW605 gas monitoring trends occurred throughout the meeting and was provided by Mr s.73 Irrele and Mr s.73 Irrele

Deputy Chief Inspector Dobson requested further information on particular documents and reports, further to this advice was provided for documents to be reviewed and matters to be considered.

The salient points of the meeting were;

- The Mine Re-entry Risk Assessment and the inclusion of further mine recovery / resumed production.
- The Mine Re-entry Management Plan (included examples of Grosvenor Re-entry Planning systems).
- Actions completed or outstanding from the Mine Re-entry Risk Assessment.
- The Active Goaf TARPs (13 & 0009) underpinning Risk Assessment.
- The Active Goaf TARP0009 for Re-entry.

- The gas monitoring and Inertisation strategy for Re-entry.
- The Inertisation infrastructure and design of ring main.
- Graham's Ratio calculation and how variable Inertisation gases are factored into the formula.
- The mines LFI (201 report) for the LW605 overpressure incident 20/02/21.

On completion of the meeting, actions were summarised and commitment given to provide response to Inspectors.
